RED BLEND - WINEMAKERS BLEND

CALIFORNIA

VINTAGE NOTES:

What do you get when the winemaker gets to freestyle a blend out of the cellar? An awesome cross vintage red wine targeting one thing: to be the most drinkable, approachably soft wine made for quaffing with summer BBQ and friends. We decided to blend one of our cellar favorites, Tempranillo - pulled from 3 of our favorite vineyards. To build up the texture and mid-palate we decided to bring in Petite Sirah (20%). Adding to the robustness, balancing color and acid Souzao was blended in. Finally to boost the soft already fruity nature we added just a kick of old vine Zinfandel (5%). We're loving this wine in the cellar and are certain it's going to be a hit on your table with friends.

TASTING NOTES:

A big, bold wine with rich loaded with notes of blackberry pie, ripe plum and spice lingering around dark, smoky aromas of chocolate and sweet vanilla. On your first sip, the wine enters smooth and quickly builds to a robust mid palate of bold tannins before fading back down again into silky softness and a long lingering finish.
