## DRY SYRAH ROSÉ

ESTATE VINEYARD | LODI APPELLATION

### VINTAGE NOTES:

From our head pruned Estate Syrah vines in east Lodi. We chose to pick at a slightly lower brix of 22 in order to restrain the alcohol and retain the natural acidity. These vines are finicky, yielding only 2-3 tons per acre, considerably lower than the typical 4-8 tons of other vineyards. You'll notice the rich color, this is from destemming and overnight cold soaking the grapes before gently pressing. The overnight cold soak allowed us to extract velvety tannins and soft aromas. Post press we controlled a long slow fermentation to retain the vibrancy of aroma and color.

### TASTING NOTES:

This lovely rosé opens with intense aromas of pink grapefruit, fresh strawberries, summer watermelon, and tangerine. Finishing with bright morello cherry and fresh citrus. The perfect compliment to spicy cuisine or simply by itself.
